POSITION:

Freelance Artist

Hi there,

My name is Nicole Montenegro and I am writing to express my interest in Freelance Illustrator and Designer.

As a Freelance Illustrator I have worked with Mighty Animation as a Character Layout Artist. I specialize in staging characters in the shot with visualizing characters in multiple angles. My process is working from the rough sketch to clean pass which includes clean drawings with shadows. Then I collaborate with other creatives to address all notes from feedback in order to reach a final look then add final touches to the scene for final submission. I utilize Adobe Creative suite and supplemental material given to me from the studio including character model sheets, Show Bible, Expression Sheet, Mouth Chart and more.

I currently illustrated two published books. The first is "Hear" in collaboration with author Leah Tyner and the second is Arte Publico Press called "Halloween, el día de las brujas / Halloween, a Day for Witches" written by María L. Gutiérrez.

If you have any questions please do not hesitate to contact me. I look forward to hearing from you.

Thank you for your consideration!

Nicole Montenegro
